Education

Drexel University, 2020

Bachelor of Architecture 2+4 Program, minors in Sustainability in the Built Environment and Art History.

Previous employment

OSK Design Partners

Collingswood, NJ

Junior Architect

August, 2019 – March, 2020

Projects included creating schematic designs and construction documents for residential beach properties and some commercial properties.

Bloomfield and Associates

Philadelphia, PA

Junior Architect

February, 2018 – June, 2019

Work focused on mental health care facility with very specific safety requirements and some small commercial properties that required significant renovation.

Charles Matsinger Associates

Philadelphia, PA

Junior Architect

September, 2016 – June, 2017

Worked on lab spaces for DuPont Chemicals Company. Lab space was highly specialized and the work required fitting existing equipment into the new lab space, which required precise measurement and planning to ensure a smooth transition to the new facility.

Work Experience

- Prepared architectural drawings and process materials for presentation to clients
- Received first rough sketches of design from project manager and created initial design draft on CAD and Revit.
- Received redlined drawings and revised the plans to conform to project architect's vision
- Conducted field measurements of existing structures to plan for renovations
- Participated in discussions about project plans and progress, and offered input into the design process.

Skills

Computer Design: Revit Architecture 2011-2020, AutoCAD 2011-2020, SketchUp, Adobe Photoshop, Adobe Illustrator, Adobe Indesign, Twinmotion

Basic Computer: Microsoft Word, Excel, and Powerpoint, Adobe Suite

Analog Design: Hand drafting of orthographic and perspectival representations, hand model making using a variety of media and techniques

Achievements and Certifications

Runner up in Ize Prize Architectural Competition, 2018

Recipient of the A.J. Drexel Scholarship, 2014

Recipient of the Drexel Dragon Scholarship, 2014

OSHA 10 Hour General Industry Certification 2012
